

How to get to the Endoscopy Department

“To get to the endoscopy department at StVincent’s Hospital, there are two entrances”.

“This is the entrance on Merrion Road. If you are entering from the Merrion Road entrance, drive or walk past the BreastCheck building and take the next left, following the road up to the roundabout. Here, you will take the second exit to enter the Herbert Wing carpark”.

“Here, you will see the entrance to the Herbert Wing”.

“This is the entrance from Nutley Lane. If you are entering from the Nutley Lane entrance, follow the road, passing the main carpark on you left and the main entrance on your right, until you reach this sign for the Herbert Wing”.

“Take this right turn and follow the road until you reach the roundabout, where you will take the second entrance to enter the Herbert Wing carpark”.

“If you enter through the main entrance of the hospital, walk straight past reception to the Centrepoint, where you will see signs directing you left towards the Herbert Wing”.

“Follow these signs for the Herbert Wing, until you reach the Herbert Wing reception”.
